

British Lymphoma Pathology Group

BLPG Autumn Meeting

Friday 21 November 2025

Hybrid Meeting: St Catharine's College, Cambridge & virtually via Zoom

Prof. Luc Xerri
Institut Paoli-Calmettes
Marseille

Prof. German Ott
Robert-Bosch-Krankenhaus
Stuttgar

Prof. Andy Davies
University of Southampton
Southampton

Dr Ayoma Attygalle
Royal Marsden Hospital
London

Dr Sharon Barrans
HMDS
Leeds

Dr Livia Raso-Barnett
University of Cambridge

Dr Dan Hodson
University of Cambridge

Prof. Ming-Qing Du
University of Cambridge

Dr Myrsini Tzoni
University of Cambridge

7 CPD

BLPG member £100

Non BLPG member £150

Residents (Trainees) £80

BLPG Autumn Meeting 2025
Friday 21 November
St Catharine's College – Cambridge / Zoom

08:30-08:55	Registration
08:55-09:00	Opening Prof. Maria Calaminici, BLPG Chair
Follicular vs marginal zone lymphoma - Chair: Andy Wotherspoon	
09:00-09:30	Germinal centre B-cell subsets and follicular lymphoma subtype Prof. Luc Xerri, Institut Paoli-Calmettes, Marseille
09:30-10:00	BCL2 translocation negative follicular lymphoma and differential diagnosis Prof. German Ott, Robert-Bosch-Krankenhaus, Stuttgart
10:00-10:30	Different primary thyroid B-cell lymphomas show overlapping mutation profile Dr Myrsini Tzioni (Prof. Ming-Qing Du), University of Cambridge
10:30-10:50 Coffee break	
NGS in haematopathology - Chair: Prof Maria Calaminici	
10:50-11:20	How we choose cases for NGS analysis? Dr Ayoma Attygalle, Royal Marsden Hospital, London
11:20-11:50	Mutation profiling by NGS: hidden potential & pitfalls Prof. Ming-Qing Du, University of Cambridge
11:50-12:20	Next target directory: what do we need? Dr Livia Raso-Barnett, Cambridge University Hospital
12:20-13:00 Lunch	
DLBCL/HGBCL - Chair: Dr John Goodlad	
13:00-13:30	What does clinician need from pathologists? Prof. Andy Davies, University of Southampton
13:30-14:00	Genomic classification of DLBCL to meet clinical need Dr Dan Hodson, University of Cambridge
14:00-14:30	Molecular subtyping of DLBCL to meet clinical need Dr Sharon Barrans, St. James's Institute of Oncology, Leeds
14:30-15:00	MYC translocation in DLBCL/HGBCL: partner matters Prof. Ming-Qing Du, University of Cambridge
15:00-15:20 Tea break	
Case presentation – Chair Hiba Ali	
15:20-16:00	(2 case presentations) Speakers TBC
16:00-16:30	EQA Discussion - Dr Anna Green, Dr Malee Fernando & Dr Lakshmi Venkatraman
